

# FLINN

## IS RECRUITING

**WE ARE LOOKING FOR AN ASSOCIATE (W/M)  
for the corporate transactional, M&A and corporate finance team**

### // Your profile:

You are a lawyer with 3-4 years' experience. You are trilingual (NL-FR-EN), and capable of working and communicating in all three languages. Experience in corporate, M&A and corporate finance, both in an advisory capacity and as a litigator are important. But first and foremost, you must share our values and be ready to face challenging issues in a creative fashion, favouring innovation and a personal approach. Although part of a strong team, you will be independently motivated and we will assist you to develop your own future within FLINN.

### // FLINN's values:

Innovation, creativity and a personal approach are the values that drive our practice. We are dynamic and our areas of practice reflect the evolving legal, business and social environment. We strongly support and encourage sports and the arts and are committed to the communities in which we live.

### // Working at FLINN:

We listen and learn from each other and always seek to better ourselves through communication, advanced learning and sharing experience. You will be part of a team in which your voice will count. We offer competitive remuneration and a great work environment!
